**Recklinghausen**

The map displays the urban and suburban areas around Recklinghausen and Herne. Major roads are highlighted in yellow and orange, while local streets are shown in grey. Public transport routes are indicated by colored lines and numbers. The map includes a legend in the top right corner, which defines the symbols for different types of roads and public transport. The legend is divided into two sections: 'Darstellung im Plan' (Representation in the Plan) and 'Zeichenerklärung' (Symbol Explanation). The 'Darstellung im Plan' section shows the symbols for different types of roads and public transport routes. The 'Zeichenerklärung' section explains the symbols used for different types of roads and public transport. The map is oriented with North at the top.
